

:MOZAYO

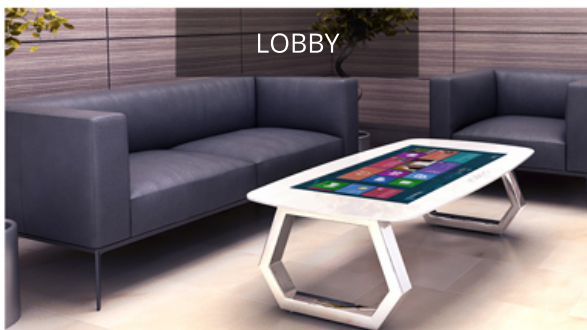

The Only Multi-Touch Table Without Compromise

Model Shown **M246S-BC**

A True Testament to Design and Functionality

The Mozayo is more than just a touch screen with legs slapped on it. It is a centerpiece for digital engagement and rich storytelling. A zero-bezel continuous glass surface with a progressive leg design makes this touch table like no other. We went beyond what is possible and arrived at what is expected.

Designed to Attract. Engineered to Inspire.

The Mozayo boasts a sleek 46" multi-touch platform that is both inviting and engaging. Interactive applications take on a whole new meaning when showcased on this ultra modern multi-user touch table. Communicate dynamic messaging and exciting content at tradeshow, retail spaces, or anywhere your brand wants to reach its audience.
